Dear friends,

We hope that you are well and enjoying some Spring weather (finally) in the sunny South. We've had a fast month with campus activities, Lydia home for Spring Break, lots of boys' baseball games, etc. Also, I just celebrated the half century mark on planet earth and want to say a **big THANKS to my dad and mom**, Bill and Betty Jones, for their amazing love and support over the years!

Our campus activities this month included working with an outreach team from Virginia Tech at GT and GSU. Many students heard the Gospel through one to one ministry, the Truth Booth, etc. Also, the *Chi Alpha* student group hosted a guest lecturer, Dr. David Sherrill, a GT professor in Chemistry, who spoke on a "mind blowing" (at least for me) topic, "*Math, The Universe and Everything*." Please pray for God's Spirit to continue working on the hearts and minds of those who were exposed to the truths of Jesus Christ.

"When the godly are in authority, the people rejoice. But when the wicked are in power, they groan." Proverbs 29:2 NLT

As the academic year end is fast approaching, we will be finishing up our pilot **Change Agent Group** which I have greatly enjoyed leading. We have been using the dvd course by Os Hillman of *Marketplace Leaders Ministry*. This curriculum is designed to encourage, equip and launch followers of Jesus into their God inspired callings to impact culture for Christ's glory and to make a difference in people's lives through living out and sharing the Gospel. Below are a few comments from some of the students who have consistently attended:

"The Change Agent course has emphasized to me that no matter what you'll do in this life, whether in the marketplace or corporate world, we are to shine for our Lord Jesus Christ and be fruitful. It is not just for the guy in the pulpit, the Lord can work in and through us anywhere." Samuel, Jr. in Mechanical Eng.

"The Change Agent course equips modern Christians with the Armor of God (*Ephesians 6:10-18*) in all areas of today's marketplace...This course highlights how Christians are transformed from the inside-out, details out how we can be stewards over all the mountains of culture in the name of His glory, and shows us the steps in becoming an active "change agent" who witnesses His glory to be done here on earth as it is in heaven." Hal, Sr. in Industrial Eng.

"The Change Agent course has been such an interesting and insightful class. It covers a broad variety of topics that are all essential in not only being a Christian, but also in bringing about the Father's Kingdom here on the earth...As a graduating senior about to enter into the marketplace of this dark and dying world, I found the information provided by the Change Agent course very pertinent to what I will soon be facing, how to handle it, and how to know and be sensitive to the Father's will concerning His redemption of the earth." Mitchell, Sr. in Mechanical Eng.

Your partnership with us through prayer and financial support is the "fuel" that keeps us going to the campus. In the words of the famous Beatles song, "...*We get by with a little help from our friends...*" We thank God and you for your belief in the campus mission of reaching and training students for Christ's purposes! Have a great month and please contact us if we can be of service.

Your campus missionaries,
Bart, Michelle & the Jones kids
