March 31, 2013

Dear friends and partners,

Greetings to you in the name of our resurrected Lord, Jesus Christ. We pray you and your family are well. May God's grace enable us to live daily in the power of His resurrection!

We've had a packed month on the campuses with our outreach and discipleship activities while also working with student missions teams from Virginia Tech and Penn State. In an often "hostile" campus world, its refreshing to interact with a group of young people who genuinely love God and want to be used by Him to impact their generation for Christ. Many non Christian students, though they may not admit it, really do admire young people willing to sacrifice their time, energy, money, etc. in order to try to help another student "see the light" of truth in Jesus!

VT student working the "truth booth" at GSU

“The fool says in his heart, ‘There is no God.’”
Psalm 14:1

One of the activities the V.T. student missions team worked on was promoting an audio-visual presentation *Chi Alpha* hosted entitled, **“God: The Great Engineer.”** This fascinating lecture given by Berkley Gryder, a Phd student in Bio-Organic Chemistry at Georgia Tech and a leader in *Veritas Forum*, posed the question, **“Is biological life the result of chance and Physics or a Master Engineer?”** Contrary to the thought of many students who have been bombarded with “macro-evolutionary” dogma, modern scientific research about DNA elements is revealing amazing and intricate functionality in the human genome that clearly “speaks” of intelligent origins and design. Our prayer and belief is that “truth” will prevail in Science as Christians work together in academia to get “the Word out” that God is revealed in His creation. Moreover, that He has demonstrated His love and care for us through Jesus. May a new generation of Christian academics arise with a heart of worship proclaiming, ***“I will give thanks to You, for I am fearfully and wonderfully made; wonderful are Your works, and my soul knows it very well.”*** **Psalm 139:14**

Your **partnership with us** through prayer and financial support is vital to our efforts to reach and teach students for Christ. **Thanks for your giving!** Please let us know if we can be of service and we pray that you have a great Spring!

Your campus missionaries,
Bart, Michelle & the Jones kids

“The evidence of God’s existence and His gift is more than compelling, but those who insist that they have no need of Him or it, will always find ways to discount the offer.”

Blaise Pascal, 17th century Mathematician and Christian Philosopher

Thank You Jesus!

“For He made Him who knew no sin to be sin for us, that we might become the righteousness of God in Him.”

2 Corinthians 5:21

“...and He Himself bore our sins in His body on the cross, so that we might die to sin and live to righteousness; for by His wounds you were healed.”

1 Peter 2:24
