Dear friends and partners,

**“When Christianity really goes into action it must cause a revolution both in the life of the individual and in the life of society.”**

**William Barclay, Biblical scholar and author**

Over the last several weeks, I have had the privilege of meeting and speaking with three young men who have recently had dramatic life changes through accepting Jesus Christ as their Lord and Savior. Honestly, its been kind of a “shot in the arm” to my ministry life fellowshiping with these new brothers in the Lord. They all have unique personalities and backgrounds but share a common love for Jesus and “hunger” to learn more from God’s word.

Andrew (A.J.), a graduating senior at GT and Juan, a student at GSU, have similar backgrounds to mine in that they grew up going to church. However, they drifted away from God during their teen years never having established a genuine relationship with Christ. Hieu, a new student at Ga. Perimeter College, doesn’t have a Christian background, but through the ministry of a friend of mine from our home church and others, the Lord has touched his heart. It has been exciting to hear about and see the changes that Jesus is making in these young men’s lives. I have been encouraging them to heed Paul’s instruction to the young leader Timothy, *“...continue in the things you have learned and become convinced of, knowing from whom you have learned them, and that from childhood you have known the sacred writings which are able to give you the wisdom that leads to salvation through faith which is in Christ Jesus.”* 2 Timothy 3:14-15 Thanks for praying for these (and other) young men that God is “grooming” to be leaders for Christ in this generation!

As always, **thank you for your partnership** with us through prayer and financial support. Please let us know if we can be of help? Have a blessed month!

**Jesus’ Graduating “XA Angels”**

Spring semester marked the graduation of three of our female student leaders, Alicia White and Fengning Yu from Georgia Tech, and Britani Anthony from Georgia State. These young women have been (and are) strong leaders with a great passion for Jesus and His purposes. The good news is that Alicia and Fengning have decided to work as ministry interns during the coming academic year and Britani will most likely be in Atlanta pursuing a Master’s degree in Christian counseling. So, we will be able to continue to work with these young ladies. PLEASE PRAY for them during this season of transition as they pursue the Lord and His calling on their lives!

**Please be praying for Lydia** during the coming Summer swim season. She has qualified (200m butterfly) for the Olympic Trials swim meet during the last week of June in Omaha, NE. Also, as a rising high school senior, she is being recruited by various schools for collegiate swimming. We are praying that God will lead her and “open up” the doors for her to be a student-athlete and Christ’s ambassador at the university He desires her to be. Thanks for your prayers of agreement with us as we experience our “little girl” becoming a woman of God while pursuing His dream for her life! THANKS!

**"...This thing I hope I can say from my heart: If to be made as the mire of the streets again, if to be the laughingstock of fools and the song of the drunkard once more will make me more serviceable to my Master, and more useful to His cause, I will prefer it to all this multitude, or to all the applause that man could give." Charles H. Spurgeon, famous preacher & author**
